

April 2025

Dear Friends-

We are pleased to invite you to participate in our first annual ***A Night to Nourish***, a one-of-a-kind community picnic dinner to benefit hunger relief in Bucks County, PA. Guests will bring their own meals (or pre-purchase meals) and enjoy live music and dancing under the evening sky at scenic Snipes Farm. All proceeds for the evening will support the hunger relief efforts of three local 501(c) 3 non-profit organizations: the Interfaith Food Alliance, Pennsbury Kids, and Snipes Farm and Education Center.

Food insecurity has risen significantly in Bucks County, affecting an estimated 60,000 people. More and more people who never had to depend on help from food banks are now familiar faces there. And the situation is only getting worse. A recent announcement from the U.S. Department of Agriculture about cutting two federal programs that allowed pantries and schools to purchase food from local farmers will have devastating effects locally. This equates to Bucks County having \$800,000 less for stocking pantry shelves and feeding hungry families.

More than 27% of Bucks County residents are considered Asset Limited, meaning a family of four earning just over \$60,000/year in gross income is above the limit for receiving SNAP benefits (i.e. food stamps), while struggling to cover rent, utilities, and other basic needs. These people earn too much for SNAP benefits but not enough to consistently cover their monthly household expenses. They are our childcare providers, our healthcare workers, and other people that we rely on every day.

Please help us address this crisis by becoming an event sponsor. Local food banks have always relied on the good will and generosity of the business community and of private donors to help meet our community's needs. More than ever, we need to come together to help our neighbors.

If you have any questions about sponsorships or this event, please feel free to reach out to Debbie Wachspress at 609-310-1716 or deb@pennsburykids.org. Thank you for your support and we look forward to seeing you on the farm on June 14th!
